MULTIPLY

Can we help to improve your confidence in maths?

Coffee, Cake and Calculations

Enjoy a coffee morning with a difference and let us know how we can help you improve your confidence in maths at the same time.

The Multiply project is a government initiative to improve adult numeracy. We can offer a range of free, fun and practical workshops to help you to apply your numeracy skills to everyday life and reduce maths anxiety when helping children with homework.

- Enjoy a relaxed and friendly atmosphere.
- Share your wish list of how we can help you with maths.
- Find out the range of FREE courses available, including family days out to Beaulieu and Marwell Zoo during October half term

Date: Wednesday morning, 2nd October 2024

Time: 09.00-10.00 hours

Venue: Parent Hub, Padnell Infant School

Book a place now by emailing Jo Foster at j.foster@padnell-inf.hants.sch.uk
