

# FUDGE DAY

(Fathers, Uncles, Dads, Grandads and Everyone else Male)

For a third year running we are holding this popular event. As detailed earlier in the list of dates we are hoping to hold a 'FUDGE DAY' on Friday 20th October.

In an all female school (except our caretaker) we are mindful of the role 'men' have to play in society and in raising the aspirations of our children, along with being positive role models. Therefore we are asking for your help. Can you come into school for the day or part of it? Can you either talk about your job or share a skill with our children? Do you have a hobby you can share with the children? Are you happy to get involved with anything the school organises but be a positive male role model?

If you can answer YES to any of these **PLEASE, PLEASE, PLEASE** get in touch by completing the attached reply slip or by speaking to me directly. I will follow up with a conversation during week commencing 9<sup>th</sup> October, regarding arrangements, support or resources needed.

Together we can make a difference to our children.
