17th May 2018

Dear Parents & Carers of children in Years 1 & 2,

Year 6 '£5 Project'

This week, the Year 6 children at Padnell Junior School have been planning their £5 project. This has involved them getting into groups of four and being given £5. They then planned a fundraising activity which they will carry out during lunchtimes next week. These activities include: selling refreshments, games, raffles and any other money-making ideas.

At the end of next week, the original pot will be returned to Mrs Luker and we will add up the profit made across the year group. The Year 6 children will then be able to vote on how they wish to spend this money as a reward for all their hard work leading up to SAT's.

As a result of the project, in the week beginning 21st May there will be a number of stalls/activities set up for all the Junior School children to take part in, and purchase refreshments from.

We would also like to extend this opportunity to the children in Years 1 & 2.

Therefore, on Friday 25th May any Year 1 or 2 children wishing to have a go at the activities will be brought up to the Junior School playgrounds by their teachers. Each activity will cost between 10p and 50p per go and it would be fantastic if your child could bring in some change (**in a named purse/wallet or envelope**) on that day.

We would ask that the children bring **small change** in and NOT notes as change will be limited.

Thank you for your support.

Yours sincerely,

The Year 6 Team
