

Wear a Hat Day

Thursday 29th March
We are supporting Wear A Hat Day for
Brain Tumour Research

We are inviting children to make or decorate a hat **at home**, as part of their homework, and wear it to school on Thursday 29th March. We are also asking for a £1 donation to Brain Tumour Research.

“Wear A Hat Day is the culmination of Brain Tumour Awareness month and people across the country will be donning beanies & boaters, top hats & trilbies, fascinators & fedoras, and making donations to Brain Tumour Research.

On the day the children will take part in some fun end of term "Hat" Activities. In the afternoon, they will be treated to a Mad Hatters Tea Party served by the characters of Alice in Wonderland. Also the whole school are practicing the oral telling of "The Hat Seller" story and we hope to make a video to share with you all.

Wear A Hat Day, now in its sixth year, is inspired by the 16,000 people who are diagnosed each year and it is dedicated to the memory of those lost to a cancer which hasn't seen the same advancements in understanding and treatment as some other cancers and is now sadly more common than a generation ago.

“Brain tumours kill more children and adults under the age of 40 than any other cancer, yet just 1% of the national spend on cancer research has been allocated to this devastating disease. For more information visit www.braintumourresearch.org
