

Year One Optional Homework

Every week children have reading homework and some other activities we ask them to do. If they would like to, your child might like to work on an optional challenge activity. Have a look at the list below and choose a project which inspires them. Please make sure your child brings their completed project in to school on 1.2.18 and we will display and celebrate their hard work!

Giving Citizen

Can you create a leaflet, poster or presentation explain what Fairtrade is and why we have it?

Resilient Learner

Design and make your own African instrument or African jewellery. Research it and draw your design first.

Original Thinker

Create your own game with an African theme. It could be a board game or a card game like Top Trumps of African animals.

Wise Worker

Can you draw the continent of Africa and name all the countries? It's a BIG challenge.
How many can you name on a blank map in class?
