

Do you like working outdoors?

Would you like to help keep our school site
looking great?

Do you fancy a free sausage sarnie?

Grounds Day

Saturday 18th March 2017

9am - 12noon

We need your help. All families are welcome
to come and join us for the morning to cut
back brambles and nettles, clear out the pond
and to paint sheds and sweep.

Bring your gardening tools and outside
brushes for a morning of community spirit.
Your efforts will be rewarded with sausage
sarnies and coffee.

All help much appreciated.

The Padnell Team
