19th June 2017

Dear Parents and Carers,

Can you believe it? Last year we had to cancel sports day due to rain and this year the hot weather wave is making us review our plans.

Currently the forecast does state that it will be a little cooler and much more cloud cover so we are planning to go ahead.

Additional gazebos will be made available and extra water stations but please remember that your child needs a named water bottle. We have many children in school today without one! Please also remember to ensure that they have had sun cream applied before coming to school and have a hat.

Should temperatures increase on the morning then alterations to the event will be made accordingly. I.e. timed events shortened so we finish a little earlier. In addition the picnic lunch may be moved to either shady or indoor areas.

Due to a county led briefing for English scheduled on the same day, unfortunately Mrs Grayson will not be in attendance. Mrs Luker, Miss Peck and Mr Everest will make any decisions and changes.

Thank you for your continued support.

Yours sincerely,

Mr S Everest

&

Miss S Peck

Junior School PE Manager

Infant School PE Co-ordinator
