18th May 2017

Dear Parents and Carers,

Sports Day 2017- Infant and Junior Schools

Unfortunately, last year because of the bad weather our joint sports day was cancelled twice. We are hoping the weather will be better this year so have organised a joint sports day again. It will be across the two schools using the junior field and playgrounds as well as the infant playground. This will be a great opportunity for the schools, children, staff and parents to continue the partnership we have already begun to develop. The children will be in mixed groups across the two schools with their siblings; this means you will be able to follow your child/children around for the duration of the activities.

The sports day will be held on Wednesday 21st June. The children will be taking part in a range of sporting activities in the morning followed by a picnic lunch which you are invited to stay for. The junior children will then take part in a range competitive sporting races in the afternoon whilst the infant children will return to their normal routine in the afternoon. Therefore, if you have a child in the juniors you are welcome to stay all day to watch and cheer on your child/children.

Please can you ensure that your child comes into school in their school PE kit and has had sun cream applied before they arrive (there are ones available that protect for up to 6 or 12 hours). They will need a sunhat and a water bottle which they will carry around with them so please make sure they are clearly labelled so if misplaced they can be returned.

In summary:

- BOTH schools joint sports day on 21st June (reserved date 28th June if it is raining or the field is too wet on 21st)
- If you have siblings in both schools and one school; they will be in a group together so you will be able to follow them around.
- Picnic lunch for both schools and parents on the school field.
- If you have a child/children in the junior school, you are welcome to stay for their competitive sports in the afternoon as well as the morning.
- Infant children will be back in lessons in the afternoon.

Thank you for your continued support and we hope the weather is better this year.

Yours sincerely,

Mr S Everest

& Miss S Peck

Junior School PE Manager

Infant School PE Co-ordinator
