20th June 2017

Dear Parents and Carers,

Further to yesterday's letter we have now seen a revised weather report stating a change. A warm airstream will hit us tomorrow keeping temperatures high.

We have therefore decided on the following:

As the morning activities involve turn taking and are not highly physical, allowing lots of rest and water opportunities, we will run the morning as detailed:

- The session will start as close to 9.15am as possible
- Each activity will be run for a shorter period of time
- The aim will be to finish activities by 11am but this will be revised during the event if necessary.
- At 11am team leaders will direct the whole team including parents who wish to stay, to a shaded spot and picnic bags will be available at this earlier time.
- Groups will then return inside their respective buildings at approximately 11.45am and parents will return home.
- The junior competitive event will be postponed (possibly Friday afternoon this week)

As detailed earlier additional water stations and gazebos will be provided for all.

In order that everyone enjoys this event please ensure that hats are worn, protective sun cream is applied and all children bring a named water bottle.

We hope that you can join us.

Yours sincerely,

Mrs Luker & Mrs Grayson
Headteacher Headteacher
