18th May 2017

Dear Parents & Carers,

Year 6 '£5 Project'

On Friday (19th May), the Year 6 children at Padnell Junior School will be planning their £5 project. This will involve them getting into groups of four and being given £5. They will then plan a fundraising activity which they will carry out at break-times the following week. These activities may include: selling refreshments, games, raffles, and any other money-making ideas.

At the end of the week, the original pot will be returned to Mrs Luker and we will add up the profit made across the year group. The Year 6 children will then be able to vote on how they wish to spend this money as and reward for all their hard work leading up to SAT's.

As a result of the project, in the week beginning 22nd May there will be a number of stalls/activities set up for all the Padnell Junior School children to take part in. We would also like to extend this opportunity to the Infant School children.

Therefore, on **Friday 26th May** any infant school children wishing to have a go at the activities will be brought up by their class teacher at 1.15pm. Each activity will cost between 10p – 40p per go and it would be fantastic if your child could bring in some change on that day. We would ask that the children bring **small change** in and **not notes** as change will be limited. Children also need to have money in a named envelope.

Thank you for your support.

Yours sincerely,

The Year 6 Team
