Dear Parents & Carers,

## OFSTED REPORT

I am pleased to be able to inform you that following our recent inspection our report is now available and the school has retained its rating of being a 'good' school.

The Ofsted framework has changed several times since we were last inspected, most recently updated in October 2017 and the expectations on primary education have risen significantly.

Therefore, retaining our rating of 'Good' is very pleasing and validates the self-assessment of the current leadership Team and Governing Body.

The one day inspection went very smoothly and we are exceptionally proud of our Staff, Governors and Children and their contributions to the day. We also thank you for your support, recognising this is a whole community outcome and were delighted to read that you were 'overwhelmingly' positive about our school.

The content of the report details the many improvements we have made since the last inspection showing that we are well on the way to 'outstanding'. As a dedicated and reflective team we will continue to strive to deliver the very best for each and every one of our children and families that come through our doors.

The whole report is attached to this email and will be available on the Ofsted national site next Wednesday.

Yours sincerely

Mrs Mandy Grayson  
Headteacher
