

# What's happening in Year 1?

Welcome back. We hope you have all had an enjoyable half term break.

Please do not hesitate to come and see us if you have any concerns or queries.

With Kind Regards, Year One Team.

Ms Bavington, Miss Poulter, Mrs Tripp, Mrs Edwards

Our topic this half term is...  
**Wheeler Wacky Racers**

In **English** we will be focusing on non-fiction and we will be writing instructions about how to build a go-cart. We will also be looking at and creating shape poems.

In **Maths** we will be counting in 2`s, 5`s and 10`s.

We will also be practising the concepts of multiplication and division and problem solving using the inverse of addition and subtraction.

We had a "wheelie" wow start to our topic! We were fortunate enough to have the European and British champion show us some tricks on his BMX bike.

In Design Technology we will be designing and making our own go carts.

Just a reminder that homework is marked on a **Tuesday** ready to be returned on Thursday. If it is handed in later than Tuesday it may not be marked.

In **Science** we will be investigating pushes and pulls. We will also be looking at materials to help us design the best go-cart.

Please make sure **jumpers and cardigans are named** so they don't get lost. This will also help your child to look after their own clothing.

## Ways to help at home

- Read with your child every night
- Practise counting in 2`s, 5`s and 10`s.
- Telling the time.

## Important days and dates
