

## Year One Optional Homework

Every week children have reading homework and some other activities we ask them to do. Your child might like to work on an optional challenge activity. Have a look at the list below and choose a project which inspires them. Please make sure your child brings their completed project in to school by the 19.3.18 and we will display and celebrate their hard work!

### Giving Citizen

Can you offer to wash a car, bike or van belonging to someone you know? Or could you help your grownups keep the car clean for a week? Take some photos to share.

### Resilient Learner

Can you find out how to fix something on your bike or scooter so if you or a friend breaks down you can make it work again? Write some instructions to show us how.

### Original Thinker

Design and label a vehicle for the future. What features do you need? How will it move? What will it look like?

### Wise Worker

Research about different types of emergency vehicles. What types of vehicles do different countries use? What different things do each vehicle have that makes them fit for the purpose? (e.g. a fire engine has water hoses).
