

Year Two Optional Homework Autumn 2

This half term we are learning all about The Titanic. If they would like to, your child can take part in an optional challenge activity. Please encourage them to have a look at the list below and choose a project which inspires them.

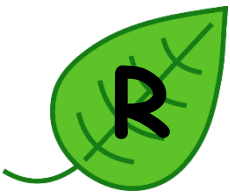

Please make sure your child brings their completed project in to school by Monday 27th November, and we will display and celebrate their hard work!

We always look forward to seeing how creative they have been. Please remember if you need any support, do not hesitate to come and speak to a member of the Year Two team.

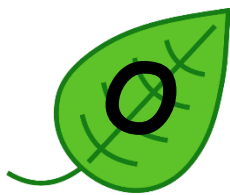

Giving Citizen

Give your friends and family the 1st class treatment. Wait on them hand and foot, serve them dinner, shine their shoes and take photos for us to share all your hard work.

Resilient Learner

Use the internet safely to research more information about the Titanic. Was anyone from your family on board? Is there anyone that can tell you more about it?

Original Thinker

Design and build your very own "unsinkable ship". What would yours include to make sure all the passengers could make it safely to America?

Wise Worker

Design a poster advertising a new ship. What will be its unique selling point (USP) to make everyone want to go on it?

Have fun, we can't wait to see how you GROW.
