

Year Two Optional Homework Spring 2

This half terms topic is called "Sugar and Spice and all things nice!" Your child might like to work on an optional challenge activity. Encourage them to have a look at the list below and choose a project which inspires them.

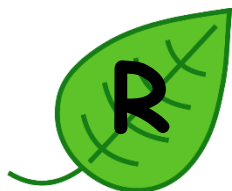

Please make sure your child brings their completed project in to school by Monday 19th March, and we will display and celebrate their hard work.

We always look forward to seeing how creative they have been. Please remember if you are struggling with resources or need any help or support, please do not hesitate to come and speak with one of the staff.

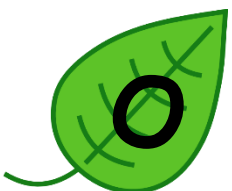

Giving Citizen

Make a sweet treat for someone else. Maybe you could bake them some biscuits or cake or even make them a delicious fruit salad.

Resilient Learner

As well as sweet treats it's important to have a balanced diet and regularly exercise. Choose an exercise such as star jumps or lunges and see how many you can do in a minute. Time yourself and see if you can beat your own score.

Original Thinker

Use your imagination to design a new treat. What will make it exciting that people will want to buy it? Will it be a mixture of your favourite things or will it be something new?

Wise Worker

Use a selection of different sweet wrappers to make a collage of a picture of your choice!
