

## Year Two Optional Homework Summer 1

This half term we are learning all about Discovering Dragons! Please encourage your child to have a look at the list below and choose a project which inspires them.

Please make sure your child brings their completed project in to school by Thursday 17<sup>th</sup> May, and we will display and celebrate their hard work.

We always look forward to seeing how creative they have been. Please remember if you are struggling with resources or need any help or support, do not hesitate to come and speak with one of the Year 2 team.

### **Giving Citizen**

Can you be a giving citizen by reading, then recommending a dragon book to a friend or family member? You can write a book review to encourage others to read it.

### **Resilient Learner**

Can you find out about the Patron Saint of England, St George. Can you find the connection between him and our Discovering Dragons topic and how he had to be resilient?

### **Original Thinker**

Use your imagination to create your own fantasy dragon. You can draw or even make your dragon, label the features and write about their special powers. We look forward to seeing how creative you can be.

### **Wise Worker**

Just like in the book 'How to train your Dragon' could you create a manual of how to be a Year Two pupil at Padnell Infant School.
