

Dear Parents & Carers,

Welcome to Year R!

We are all very impressed with the way the new children are coming into school and settling so independently. They have already learnt many new routines, made new friends and have begun to discover what is special about belonging to our school.

Just a few little reminders of things which will help all to go smoothly for your child.

- ◇ Name all clothes and PE kit, including shoes.
- ◇ Support your child to bring his or her book bag to school **every** day.
- ◇ Bring a named, filled water bottle to school each day. **Water only please.**
- ◇ Say goodbye to your child at the door and encourage independence by he or she putting book bags, coats and water bottles in the correct places.
 - ◇ Ensure that no toys are brought to school.

T.Shirts for Art Activities.

We are in need of old, large T-shirts that the children can wear for craft activities. If you have any unwanted large child or small adult sizes, we would be very grateful.

Don't Forget....

**Fresher's coffee mornings - Thursday 21st & Friday 22nd
September 9am-10am in the school hall.**

Come along for an informal chat and the chance to ask any questions you might have.

Details of curriculum activities and how you can help your child at home will follow shortly.

Thank you for your support at this exciting and important time for your child.
