

## Year R Optional Home Learning

This half term we would like as many children as possible to work on an optional challenge activity. With your child, could you please have a look at the list below and choose something which inspires them.

Please make sure your child brings their completed home learning into school by Friday 26<sup>th</sup> January and we will display and celebrate their hard work!

This terms homework links to our topic of Heroes and Superheroes.

The homework will reflect the school vision: Giving Citizen, Resilient Learner, Original Thinker and Wise Worker. Choose something from the list below and think about how your child can GROW!

- Create a superhero mask or cape.
- Learn about a real-life hero. Draw your hero and write some facts about what they do.
- Make a model of a superhero vehicle using 3D shapes. How many different 3D shapes can you use to make it? Can you name all your shapes?
