

Optional Home Learning Year R - Summer 2

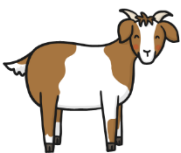

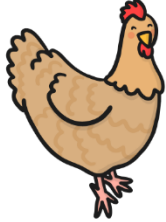

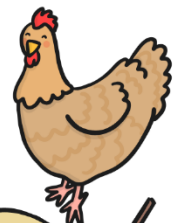

'Fun on the Farm'

For optional home learning this half term we would like you to get really creative! You could choose one of the following:

- Make a 3D model of an animal. You could use boxes, papier mache or anything else you can find!
- After our farm visit, make a map or model of what you saw.
- Have you got a picture of a favourite animal at home? Why is it your favourite?

Can you write a description?

- Design your own ice cream! What flavour is it? Is it in a cone or a tub? Does it have sauce on the top? What about sprinkles?
