

Year 2
Summer 2

Welcome back, we hope you had a lovely, relaxing break. We look forward to another great and busy half term, the last of the year! Thank you for your ongoing support. Below please find information about your child's learning this half term and how you can support them with this.

Many thanks; Mrs Steadman-Tippett, Mrs Barnett, Mrs Kernot, Mrs Hooley, Mrs Kates, Miss Harbour, Mrs Dunaway, Mrs McVittie, Mrs Ford, Mrs Albusaidi, Mrs Searle, Mrs Riley and Miss Langrish.

Reminders

PE – Wednesdays and Fridays
Forest Schools – Tuesday
 (1 class a week)
Library – Friday
Homework – Set on Thursday
 Due in Tuesday

Our topic is 'Helping Others'

Maths

We will be consolidating our knowledge of measures including; telling the time to within 5 minutes, making different amounts using coins and reading scales. We will also be applying our four-operation knowledge to help us solve word problems and reasoning activities. The children will be learning that addition and multiplication are commutative and we can use the inverse to check our answers. They will also be consolidating their knowledge of the 2,5,10 and 3 times tables.

English

This term, we will be reading a story about a girl, who creates different things to solve problems. We will be original thinkers and think of our own solutions on how to help someone in our school. We will also be thinking about Journeys and using the book called 'Journeys' to write our own portal story. In **writing**, we will be applying our knowledge of sentences types, appropriately sequencing our ideas and editing our writing. In **phonics**, we will be applying our knowledge of suffixes and continuing to practise our best guess rules. In **guided reading**, we will be continuing to practise reading fluently. We will also be making comparisons between books, noting similarities, differences and considering our own preferences.

Topic

In **science**, we will be investigating animals and their young. We will look at how they grow, what they eat and what they do to survive. In **history**, we will be learning about Florence Nightingale and Mary Seacole, and why they are important in History. In **DT** we will learning about healthy diets and designing and making a healthy picnic. In **Computing**, we will be applying our knowledge of different programmes. The children will be creating branching databases to collect and share information.

Key Dates

2nd July Ski trip - Finches
 4th July Ski trip - Woodpeckers
 8th July Ski trip - Owls
 18th July pm - Year 2 show
 19th July am - Year 2 show
 19th July Year 2 leavers disco

Thank you for your continued support.
