23rd March 2020

Dear Parents & Carers,

Today's update for Keyworkers (Emergency childcare)

Thank you so much to all of you who managed to find alternative arrangements. This has meant that those with no other choice have also been protected more as instead of 50 children we had 17. This decrease in numbers has been seen in lots of other schools too.

For those of you who still need us..... we are still here for you, we understand that you may not have any alternative. However, please ensure you check your emails every day in case we message out to you any changes. Thank you.

School uniform - I have changed my mind in light of more info and now ask you to send your child in wearing freshly washed clothes every day. These need to be suitable for both inside and out and safe footwear is particularly important. Staff will be following this precaution too.

Tomorrow when you drop off you will be asked to complete a grid showing what care you need for the rest of the week and to share verbally whether this pattern is likely to be the same going forward. I am well aware that for some this may be an unknown but just want to plan as best as I can.

Keep safe everyone.

Sending lots of virtual hugs to you all.

Mrs Mandy Grayson
