2nd July 2021. Summer Term No 10

As we approach the last three weeks of the year there is still much to do with transition events, trips and all the usual housekeeping here in school.

Sadly though I am beginning to get nervous about the increased rise in local cases within our families which are now impacting on school attendance for both children and staff. I really do hope that this is not going to affect the lovely events we have planned but please keep up to date via this weekly newsletter and/or any additional emails we may send.

Covid Update

Positive cases are on the increase so please continue to follow the guidelines. Thank you to those parents who understand that our guidance is different to the general public and indeed what is on the NHS sites. Guidance is no longer national and is changing almost daily so please bear with us when discussing this issue with staff.

SATS & Phonics week

As you may or may not have been aware we have used previous tests papers for our internal use only as these were not statutory this year. As always they only form part of the picture and the assessment grading given in your school report due shortly is a more accurate reflection.

Class Notification

Attached is the letter informing you of our staffing structure next year. On Monday your child will find out who their new teacher is and just in case they forget, they will come home with a class named sticker as per the letter.

Clubs

All clubs (with the exception of Science), have now finished. We hope the children have enjoyed these extra-curricular activities.

Gates/Drive way

A reminder that the drive gates close at 3.20pm and do not open until 4.15pm (for Crafty Club users).

The normal pathway should be used when leaving from any after school club please.

YOUR HELP NEEDED PLEASE **HELP**

Can you spread the word to any parent of a child starting school in September that only 1 parent can attend the stay and play. We have to keep the gathering to less than 30 adults to comply with our guidelines. Thank you for your help.

Eat them to Defeat them!

Next week's Eat Them to Defeat Them

LIVE Cookalong

Spotlight Vegetable: Peas

Guest Chef: Mrs Kernot

Recipe: Chili Tacos

You will need:

- 1tsbp vegetable oil
- 500g beef mince (or vegetarian mince if preferred)
- Salt and pepper to season
- 2 tbsps tomato puree
- 1 onion, peeled and finely chopped
- 1 tin of vegetable chili (e.g. Stag Low Fat Vegetable Chili)
- 300 g frozen peas
- Taco shells

Don't forget to tune in at 4:30pm on: Tuesday
6th July 2021

PIPSA

We are delighted that PIPSA have been able to arrange an end of term treat for each year group. Letters will be emailed today with full details.

Online Safety UK Newsletter Online Safety UK

Ahead of our Internet Safety Sessions next week, please see Lee Haywood's June/July FACT Sheet which also has details of the next parent event:

Eat Well for Less

As you can see from the attached leaflet, the TV Programme "Eat Well for Less" are casting for their next series.

The show is on a mission to prove that it is possible for families and households to **save money** on their food budget **without scrimping on taste and nutrition**. They hope that by analysing the shopping habits of UK families, they can help to show where they can source the best and cheapest quality food.

If you are interested use the flyer attached and don't forget to let us know if you get a call!

INSET Days – Thursday 8th & Friday 9th July

Don't forget school will be closed to children next Thursday & Friday (8th & 9th July), as we have two INSET days. One was brought forward from March as it was felt to be a better use of time for us all. Thursday will be spent completing data, and teachers handing over information to receiving teachers. Friday will be new teams spending the day together planning for the year ahead.

Kind Regards,

Mrs Grayson
Headteacher
