Dear Parents & Carers,

## Have you been Abroad this summer?

Many of you I know will have had your holidays cancelled or decided not to travel abroad this year. However, I am aware that some families have made it further afield and may be returning from countries where they will need to quarantine. If your child has not been in England since **20th August**, it is imperative that you call me to discuss your situation. To keep everyone safe at this time we must all follow the rules put in place by the Government. No child will be allowed into school during their quarantine period of 14 days and as a community we need to work together to keep each other safe.

## Welcome Mrs Henderson

Yay! It finally happened, albeit a day early to avoid mask wearing! Congratulations to Miss Poulter who became Mrs Henderson this summer. She has shown true Padnell resilience in the build up to her special day but it all went perfectly and the couple had a wonderful weekend of celebrations with very close family.

## Good bye Mrs Freeman

We say a fond farewell to Mrs Freeman who in July, decided to leave in order to look after her new granddaughter. Mrs Freeman has been a valuable member of our team for many years and will be truly missed, but we know she will not be a stranger and will keep in touch.

## Attendance and contact numbers/addresses

Please can we ask that you follow normal procedures for attendance and call school if for any reason your child will not be in school by 9.15am daily. If we do not hear from you we will follow our safeguarding procedures and contact you and others on your emergency contact list. With safeguarding in mind...if you have changed your number or address over the summer please email us with details as soon as possible.

We are really looking forward to seeing you all later this week.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Mandy Grayson'.
