Dear Parents & Carers,

Following the release of further guidance from the government regarding their expectations for home learning, from next week, we will be hosting weekly Zoom sessions to ensure all of the children who are remaining at home during this national lockdown are still able to have weekly face-to-face time with their class teacher.

These sessions will give us an opportunity to catch up with your child and stay connected with you.

We would like you to sign up for a weekly recurring, small group session at a time that is convenient for you. These sessions will take place at 2pm for 15 minutes and will be in addition to the story sessions at 2:30pm. Any individual one-to-one sessions that some children may be receiving to support them in working towards their individual targets will also continue at the time you have already been allocated.

These sessions will form part of your child's weekly online schooling and, as such we would appreciate you ensuring that your child is online, in a communal area, dressed and ready to engage during this time.

Please follow your class's link to indicate your availability for each afternoon by **FRIDAY 15th JANUARY 2021 at 12 noon** in order for us to allocate sessions most suited to each of your individual situations, ready for them to begin on Monday 18th January at 2pm.

If your child will be continuing to attend school in person (**either full or part time**), then you **do not** need to sign up for a session.

Thank you for your continued support,
The Year R
