1<sup>st</sup> April 2022

Dear Parents & Carers,

In response to the upcoming changes for the Governments' Living with Covid strategy, we wanted to write to you all to advise how this affects your children at both Padnell Infant and Padnell Junior School.

From the 1st April 2022, the Government guidance states that anyone with a positive COVID-19 test result are advised to try to stay at home and avoid contact with other people for five days, which is when they are most infectious.

Both Padnell Infant and Padnell Junior schools have decided that up until we break for the Easter holidays (Friday 8th April 2022 inclusive), we will continue with our current procedures of self-isolating following a positive test result. Children may return to school on day 6 should they have two consecutive negative tests on both day 5 and day 6.

We will update all parents in due course for the procedures following the Easter holidays.

Should you have any queries with regards to the above or require further guidance, please do not hesitate to contact the school offices for further support.

Wishing you all a very happy and restful Easter holiday.

Yours sincerely,

Mrs Sarah Luker

Mrs Mandy Grayson
