25th March 2022

Year 1 Turrets & Tiaras sharing Assembly Thursday 7th April 2022

To end our topic, we would like to invite you into school on Thursday 7th April at 2.40pm for a 15 minute sharing assembly.

Normally this would be a grandparent's event but we felt that you have not had much opportunity to celebrate your child's learning and so leave it for you to decide who will attend.

Despite this event being after the official end of Covid restrictions, we will be running this large scale gathering as follows:

- It will be a standing event
- Entrance will be via the side hall doorway
- All windows and doors to the hall will be open for ventilation

As always to meet fire restrictions we ask that only a max of 2 people attend per child. Once the assembly has finished you will be able to make your way around onto the playground for normal collection.

Yours sincerely,

Year 1 Team

Our Padnell promise is to be a:

- G**iving citizen
- R**esilient learner
- O**riginal thinker
- W**ise worker
